

Join the ASSP Mid-Michigan Chapter for an OHST Prep. Workshop

- 1. Do you work part-time or full-time in occupational hygiene or safety (35% is the minimum) and have duties that require technical skills and knowledge in occupational hygiene and/or safety?**
- 2. Do you have three years of experience in occupational hygiene or safety?**
- 3. Are you interested in professional accreditation as an Occupational Hygiene and Safety Technician?**

Gain the knowledge and confidence to pass the Occupational Hygiene and Safety Technician (OHST) examination with this review of health and safety concepts and test-taking strategies. This workshop will review hundreds of questions addressing all seven domains covered in the exam blueprint that will guide you toward competency in the field of occupational hygiene and safety and ready you to sit for the OSHST Certification Exam.
