Welcome . . .

We are happy to have you as a delegate to the 31st annual Michigan Safety Conference. It has been designed to give you what we believe will be the finest conference in our 31 year history. I am certain that the programs developed by the various divisions and standing committees will provide material which will help you do a much more effective safety job.

Please study the program carefully and plan now to attend as many sessions as possible. We also urge you to visit the many splendid exhibits which you will find interesting and informative.

Cordially,

ROBERT H. GORING
President
