

"If you look at the percentage of MIOSHA related fatalities related to "line of fire/stuck by" incidents in 2021, it is evident that it is a serious issue that needs to be investigated and talked about. The best way to avoid these incidents is to identify and eliminate the line of fire/struck by hazard, so that no one in the work area can be injured by that hazard.– Doug Hill, Consumers Energy

**JOIN the Michigan Safety Conference
and MIOSHA**

for

"COFFEE WITH MIOSHA"

(and pastries too!)

This FREE event at the Crowne Plaza Lansing West Hotel (Cord room) will feature MIOSHA Representatives to answer your questions on MIOSHA services and resources. **"Coffee with MIOSHA"** will include representatives from administration, and enforcement. MIOSHA partners with groups to plan these events to help protect the safety and health of Michigan's workers.

Michigan Safety Conference (MSC) representatives will also be on hand to answer questions regarding the annual event, and how you can become involved.

The "Coffee with MIOSHA" event is from 9:15 to 10:30 am. All event attendees are invited to stay for the Michigan Safety Conference's General Committee meeting and lunch (\$20).

Coffee with **MIOSHA**
