Renewable Operating Permits

- Submission Packages
 - Same forms as currently used
 - Plans required up front
 - CAM, Fugitive Dust, MAP
 - Mark-up upon request
- Responsible Officials
- Modifications

Compliance Information

- Electronic Submissions
- Schedules
 - Due dates will show up on your dashboard
 - Notifications

What can the public access?

Public Information and Services

Public Notice Search

Find public notices, hearings, and other events. Access documents made publicly available through these events.

NESHAP Asbestos Notification Search

Search for notifications that have been submitted to Michigan EGLE

Site Map Explorer

Use our mapping tools and advanced search capabilities to navigate available public information.

Submit Complaint of Pollution, Spills, or Unauthorized Activities

Submit a complaint of pollution (air or water), spills, or unauthorized activities impacting air quality, wetlands, lakes or streams. File a report with anonymity if you choose.

CSO/SSO Discharge Search

Search for Combined Sewer Overflow (CSO), Retention Treatment Basin (RTB), and Sanitary Sewer Overflow (SSO) discharge events

Sign Up For / Manage Alerts

Sign up to receive notifications when Permit applications are received, Permits are Issued/Denied, or Public Notices are posted.

Air Toxics Screening Level

Search regulated air pollutants for information on Initial Threshold/Initial Risk screening levels, as well as those chemicals that are under review and open for public comments about their screening levels and how they were derived.
