

WORLD CLASS HEALTH & SAFETY EVENT

# Michigan Safety Conference

APRIL 15-16, 2025 • LANSING CENTER, LANSING MI

## JESSICA JANNAMAN, EDD

Dr. Jessica Jannaman works at TE Connectivity in Royal Oak, Michigan as a Director of EHS & Sustainability. Prior to TE Connectivity, Jessica worked at Advanced Vehicle Assemblies in Rochester, Michigan as the Executive Director of EHS, Quality and Manufacturing Planning and Dura Automotive Systems in Auburn Hills, MI, as the Global Director for Environmental, Health, Safety & Energy.

Previous to the years at Dura Automotive Systems, Jessica worked at FCA as well as ABB in North America roles. She holds a B.S. in Environmental Science and a Master's of Science in Safety Management from Oakland University. Dr. Jannaman is also Lean Black Belt.

Dr. Jannaman serves on the Board of Directors & Student Division Committee for the Michigan Safety Conference (MSC). She has also served on the Board of the Michigan Lean Consortium (MLC) and is a Past President American Society of Safety Professionals (ASSP) Greater Detroit Chapter. Jessica is also Past Innovation Chair for the Environmental Practice Specialty of ASSP and currently serves as Assistant Administrator.

Additionally, Jannaman currently supports Oakland University as Chair for the Environmental, Health & Safety Industry Advisory Board and is an Adjunct Professor.

Jessica has contributed as a co-author for book publications including "Safety Leadership and Professional Development" and has supported as a participant on a variety of standards committees such as the ANSI R15.06 Industrial Robots and Robot Systems, Safety Requirements.
