

WORLD CLASS HEALTH & SAFETY EVENT

Michigan Safety Conference

APRIL 15-16, 2025 • LANSING CENTER, LANSING MI

SHEILA E. IDE

Sheila Ide, though semi-retired, consults under the name of AB Consulting. Over 40 years of experience in the fields of safety/health and Human Resources with degrees in both, she served as the EHS professional in both Public Utility and City Government worksites and was Deputy Personnel Director for the City. Sheila ended her formal career as a Departmental Manager for the Michigan Occupational Safety and Health Administration (MIOSHA) Consultation Education and Training Division. She was the first facilitator of the MIOSHA Training Institute (MTI), a new concept for basic safety and health

training including General Industry, Industrial Hygiene, and Management tracks which not only provided training for new safety appointees, but was later recognized by Oakland University in their Safety degree programs. A strong supporter of the Michigan Safety Conference for more than 40 years, Sheila serves

on its Board, Finance Committee and Security Division; was Conference President in 2020 and 2021 and is currently commencing her 4th season as the Host of the MSC's Podcast "Safety Spectrum". The podcast covers a multitude of EHS topics each month.
