WORLD CLASS HEALTH & SAFETY EVENT

Michigan Safety Conference

- The Michigan Safety Conference is a non-profit 501(c)3 volunteer organization dedicated to promoting the improvement of workplace safety and health practices in the State of Michigan.
- It provides participants with quality workplace health and safety education through an annual conference that attracts one of the highest attendance ratings, by safety professionals, in the nation.
- Volunteers who plan the annual conference are divided into officers, board of directors, standing committees, and training divisions.
- All work together on the year-around-planning process for the spring event.
- If you are interested in getting involved, review
