

Michigan Safety Conference Silent Auction!

In an effort to add a little extra interest, and to get attendees talking about your company and your products, we are holding a Silent Auction in the main corridor of the DeVos Place during the conference. All vendors are invited to participate.

Let us know what you want to donate by filling out the form below (items can be anything not just safety related; however, please try and make the item "mail friendly" in case the winner is not present and we need to mail it). Donated items will be displayed at the information booth in the main corridor of the Devos Place starting on Tuesday at the conference. We will provide the sign-up sheet where people can write down their bids.

On Wednesday between Noon and 1:00pm we will begin announcing the winners by intercom in the exhibit hall and we will notify the winners and collect their payments. All proceeds will be donated to benefit the MSC Scholarship Fund.

In order to participate we must receive this completed form in advance. Join the fun while helping to promote your business and help us support our future safety professionals. Please mail this form to Michigan Safety Conference, 1895 Ridgewood Drive, East Lansing, MI 48823, or email to exhibits@michsafetyconference.org.

If you have any questions, please contact the Michigan Safety Conference staff at 517-203-0737 or e-mail exhibits@michsafetyconference.org. Thank you for your support!
